

Year 4's E-Safety Agreement

In Year 4, we have discussed and considered ways to stay safe when using computers and the internet.

As children in Year 4, we will:

- Only visit trusted websites or websites that we have been told to go on.
- Not talk to people we don't know.
- Tell an adult if we receive a message from someone we don't know. They can then block or delete the person who is sending the messages.
- Not give out any personal information.
- Never agree to meet up with anyone we meet online.
- Never agree to friend requests from people you don't know.
- Ask a responsible adult for permission when using the internet.
- Make sure that if something pops up on your screen, don't click it! Ask an adult first.
- Not say unkind things to anyone online e.g. on whatsapp/snapchat or online chats whilst playing games
- Not buy anything without an adults permission.
- Limit the time we spend online/playing games.

By signing this agreement, Year 4 children will be sure they understand all of the points above and promise to keep to these both at home and in school.
