

Year 4 Skipping workshop at Eggars School

"I learnt a new skill – cross-skip, I couldn't do it before but now I can !

"I really enjoyed our skipping workshop, I found some of the skills quite tricky but I'm really glad I had a go."

"We had lots of fun during the workshop – I enjoyed learning how to do the Pretzel and I'm looking forward to practising it this break time!"

Congratulations to Year 4 who have come first in the Hampshire Virtual School Skipping competition! Having worked hard during Wake & Shake last half term to improve their stamina, Mrs Pruden recorded the number of skips each member of the class could complete in a minute and sent off the results. They were delighted to receive their very fancy certificate this week just as they were heading off to Eggars for a morning of even more skipping!

Governor's Corner: Health & Safety

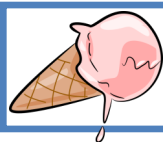

Every year we carry out Health & Safety visits to the school to ensure that the process in place is as effective as possible. Over recent years this process has developed to include pupil representatives so that a better understanding of all the views relating to Health & Safety in the school can be obtained. This year the process has been moved forward to include the views of the pupils, in advance of an upcoming county inspection to provide a better focus for the visit. I hope you will be pleased to hear that the overwhelming view expressed by the pupil representatives was that pupils felt safe and secure within the school environment and that any concerns related to specific elements, either of behaviour or physical limitations, within the boundaries. I came away from our meeting feeling both gratified and impressed by the clarity and the level of insight shown by those selected to speak on behalf of the whole student body and also by the diversity of the subject matter which they had been asked to raise in the discussion. I look forward to the second stage of the process when we apply the issues raised to the walk round.

Ray Dudman, H&S Governor

Summer Term Diary Dates:
