I can ...

I can give examples of people or things that might influence someone to take risks (e.g. friends, peers, media, celebrities), but that people have choices about whether they take risks.

I can say a few of the risks of smoking or drinking alcohol on a person's body and give reasons for why most people choose not to smoke, or drink too much alcohol.

I can give examples of positive and negative influences, including things that could influence me when I am making decisions.
