

## Reading

- Read a wide range of genres and authors, identifying these in your Reading Record
- Increase their familiarity with a wide range of stories, including modern fiction, classical texts and books from other cultures and traditions
- Recommend books to peers with reasons

### Comprehension

- Use context and their growing knowledge of root words, prefixes and suffixes, to understand the meaning of new words
- Make comparisons within and across books, discussing themes and conventions
- Learn a wider range of poetry by heart
- Use contextual clues to justify impressions of people, places and events
- Distinguish between fact and opinion
- Summarise content concisely to reflect understanding
- Discuss and evaluate how authors use language, including figurative language, considering the impact on the reader

## Writing

### Spelling & handwriting

- Use further prefixes and suffixes and understand the guidelines for adding them
- Continue to distinguish between homophones
- Write legibly, fluently and with increasing speed

### Composition

- Use passive voice where appropriate
- Use the perfect form of verbs to mark relationships of time and cause
- Use semi-colons to separate items within a list
- Use semi-colon, colon or dash to mark the boundary between independent clauses
- Use correct punctuation of bullet points
- Use hyphens to avoid ambiguity
- Use a sentence structure and layout matched to requirements of text type
- In narrative, describe settings, characters and atmosphere
- Integrate dialogue to convey character and advance the action
- Use wide range of devices to build cohesion within and across paragraphs
- Assess the effectiveness of your own writing, making changes to enhance the effects and clarify meaning

## Maths

- Use negative numbers in context and calculate intervals across zero
- Compare and order numbers up to 10,000,000
- Identify common factors, common multiples and prime numbers
- Round any whole number to a required degree of accuracy
- Identify the value of each digit to 3 decimal places
- Use knowledge of order of operations to carry out calculations involving four operations
- Multiply 4-digit by 2-digit
- Divide 4-digit by 2-digit
