

Year 5's Internet Safety Guidelines

2023-24

- **To never share personal information or passwords online.**
- **To make sure we know where the mute, report and block buttons are.**
- **Do not click on unwanted messages or ads.**
- **Check with adults at home for parental controls and age restrictions on games/apps.**
- **Have discussions with adults at home about what is appropriate.**
- **Unplug headphones, turn off chat bars and leave doors open so adults know who you are speaking to.**
- **To be aware of AI and the role it has in our lives and its positive and negative uses.**
