

Year 4's E-Safety Agreement

In Year 4, we have discussed and considered ways to stay safe when using computers and the internet.

As children in Year 4, we will:

- Only visit trusted websites or websites that we have been told to go on.
- Not talk to people we don't know.
- Tell an adult if we receive a message from someone we don't know. They can then block or delete the person who is sending the messages.
- Not give out any personal information.
- Never agree to meet up with anyone we meet online.
- Never agree to friend requests from people you don't know.
- Ask a responsible adult for permission when using the internet.
- Make sure that if something pops up on your screen, don't click it! Ask an adult first.
- Minimise any screen that you think is unsuitable - then tell an adult
- Understand the age restrictions for some games/platforms.
- Limit the time we spend online/playing games.
