

Langrish Primary School

Action Plan 2017 / 18

Strategic Aim – To raise the profile of PE and Sport for all pupils in Langrish Primary School
(Autumn Update Spring Update Summer Update)

Strategic Aims & Objectives	Action	Target Group	Target Date	Success Criteria	Budget	Lead
<p>At Langrish School we aim:</p> <p>To ensure all of our children are physically and mentally fit in order to promote healthy lifestyles and resilience.</p>	a. Meet with SGO and SSG representatives at the beginning of the year to set agenda for new year	P.E Leaders	Autumn Term 2017	All P.E. Leaders network and plan meetings for the remainder of the academic year	Time	Mrs Wright Sara Galliers (SSGO)
	<p>Updates: SW met with Sara Galliers (SSGO Perins Partnership) to discuss the year ahead. SSG also discussed sport on the calendar for the year ahead to include events with TPS hosting to encourage successful transition and to utilise the expertise of Sports Leaders in their GCSE year. SW also met with Herne Junior PE lead to organise some friendly matches for the new year for football and netball.</p> <p>SW has continued to meet with Sara Galliers to plan events for this term, ensuring that events are well resourced and that events hosted at Langrish are publicised. DF has also built on her links with Froxfield School and planned a netball festival. Langrish is hosting the area Sports Co-ordinator Meeting this term when events for next academic year will start to be planned.</p> <p>Unfortunately, the Sports Co-ordinator Meeting was unable to take place, but close contact was maintained with the SGO and other local schools to ensure a full calendar of Summer events took place.</p>					
	<p>b. To set up the Golden Mile challenge to run throughout the school year regardless of the weather conditions.</p> <p>Playleaders and house captains to continue to log the miles electronically and update sports boards with leaders.</p> <p>To participate in 'Walk to School Week' as part of Living Streets campaign</p>	All pupils	Autumn Term 2017	<p>Children will become fitter and more resilient.</p> <p>Children will participate in healthy activities at break and lunchtimes</p>	<p>Time for LSA team to organise and oversee.</p> <p>Resources for Playleaders e.g. caps and tabards</p>	<p>Mrs. Elrick, Ms. Fiers</p> <p>Mrs. Langan</p>
<p>Updates: Golden Mile continuing following meeting between LSA team and SW. Arrangements have changed slightly to include all training on the playground due to the wet conditions on the field. The school successfully completed the Golden Mile to Lapland and the team are currently considering a school based challenge for the Spring Term. Sports board is being updated weekly with leaders and certificates were presented for the Autumn Term Champions. All classes are involved in this and so all children are accessing daily exercise.</p>						

Strategic Aims & Objectives	Action	Target Group	Target Date	Success Criteria	Budget	Lead
<p>To provide and promote a wide range of sporting and physical opportunities so that every child finds an activity they can enjoy as they move through life.</p>	<p>We have now run all the way to the Gold Coast! Every pupil has completed enough miles to be awarded their bronze wrist band with six pupils achieving their silver. Two children wear the Golden Mile T-shirt in their PE session each week to reward the pupils who have amassed the most miles. House Captains and Sports Leaders are still involved in logging the miles and updating the Sports board. The Golden Mile is now completed both in lessons and at the end of a lunchtime before the children return to class. The Walk to School week is currently being publicised (21st – 25th May) and county resources have been shared with members of staff for lesson resources and for classes to log their mode of travel. An assembly is also planned for the beginning of the week to promote the activity.</p> <p>Langrish School is the first school in Hampshire to reach the Gold Coast and is to be rewarded with an athlete visit in the Autumn Term 2018. Each class has continued the Golden Mile and a new member of the LSA team has been trained to lead the initiative. Walk to school week was a success and as part of the week, the KS1 children enjoyed a magic show to learn about road safety.</p>					
	<p>c. Plan P.E. workshops for staff to attend throughout the year and open these to the SSG.</p>	<p>P.E. Leaders and / or staff</p>	<p>2017 - 18</p>	<p>The standard of PE in our local schools will be raised.</p>	<p>Time for CPD preparation Supply costs</p>	<p>Mrs Wright</p>
	<p>Updates: The staff completed a basketball session led by Energise me which was very successful. Basketball will now form part of our PE timetable where appropriate. Selected staff also attended the 'Dare to Believe' festival held at Bohunt School which showcased disability sport. Cascade training following this opportunity is planned for the Spring Term staff meeting time to make all our pupils aware of inclusivity in sport. Currently, Year 4 is trialling boccia and a set has been delivered to Langrish by the SEN advisory teacher, Jules Barker, so that this can take place in lessons and at playtimes.</p> <p>The Boccia league is now underway in Year 4 and all children are accessing this. Staff CPD this term has involved tag rugby training for staff from a Harlequins Coach who ran KS2 training sessions with each class and shared good practice. Further resources have been purchased to help with the implementation of Tag Rugby. SW has also shared Multiskills cards and ideas for the teaching of this area with EYFS and KS1 staff.</p> <p>Two members of KS1 staff attended the Premier Stars multi skills course in the Summer Term and attendance at the course also included a set of resource cards and resources which are being delivered in the Autumn Term 2018. The members of staff are sharing their training in a staff meeting in the Autumn Term.</p> <p>KS2 staff also attended the external swimming sessions for KS2 children at Churchers College during Summer 2. This enabled them to see the progression of skills and appreciate the skills taught in the swimming pool which included life saving skills.</p>					
	<p>d. Investigate support from outside clubs to help promote activities and sports which are not covered as part of curriculum provision.</p>	<p>Pupils</p>	<p>2017 - 18</p>	<p>Forward plan and make links with sports coaches</p>	<p>Time Cost of visiting coaches</p>	<p>Mrs. Wright</p>
<p>Updates: The PE board is being utilised to promote links with outside clubs: currently Petersfield Football Club and Petersfield Hockey Club have posters on display. The children's sporting achievements are also being celebrated in 'The Nutshell' and in assembly times which raises awareness of other sporting opportunities in our area.</p>						

Strategic Aims & Objectives	Action	Target Group	Target Date	Success Criteria	Budget	Lead
	<p>Petersfield Hockey Club and Petersfield Town Football Club have posters advertising club links on the sports board. Sporting achievements continue to be celebrated in the Nutshell and activities celebrated this term have included pony riding and martial arts.</p> <p>Links have been made with Petersfield Tennis Club (The Avenue) and the new lead coach there. Children from Year 3 attended a tennis festival and it is anticipated that the coach will lead an assembly at Langrish to further promote links.</p>					
	e. Share P.E. resources, ideas and training with the support of the SGO and SSG	P.E. Leaders	2017 - 18	Good practice shared with opportunities for staff for additional CPD	Potential cost of training (School Sports Premium) Photocopying of resources	Mrs. Wright / SSGO
	<p>Updates: SSGO `s Sara and Kathryn led an LSA workshop at Langrish for a morning to consider how physical activity could be included in playtimes and lunchtimes alongside the Play Leader activities. The course `Active Playtimes` was well received and games are now being planned in for separate playtimes, led by an adult.</p> <p>`Game of the Week ` is promoted to all children on a Monday assembly by the Play Leaders and this is shared with the children alongside those activities already planned in the Play Leader rota.</p> <p>Game of the Week and the Golden Mile have continued successfully through the Summer Term with the addition of the extra field space a definite bonus.</p>					
	f. Provide specialist sport and physical activity days linked to the wider curriculum	Pupils	2017 - 18	Children experience cross curricular themes as part of a broad and balanced curriculum	Cost of workshops	Mrs. Wright
	<p>Updates: The whole school enjoyed a Diwali Dance workshop day led by West End in Schools. This included learning about the traditions surrounding the story of Diwali together with learning Bollywood moves. Some dances were recorded and are available to view on the class website pages.</p> <p>Spring 2 saw Langrish hosting a SSG Dance Festival with Year 5 showcasing their themed dance from the Movies. The children benefitted from seeing other settings dance and the teachers involved were also inspired to try some different moves!</p> <p>Summer 2 saw the infant and Junior Sports Days taking place for all pupils. Activities were led by the Sports Leaders and House Captains and both sessions were a success.</p>					

Strategic Aims & Objectives	Action	Target Group	Target Date	Success Criteria	Budget	Lead
	g. Arrange intra and inter school competitions for children to include opportunities within East Hants Schools Games, but not exclusively.	Pupils	2017 - 18	Pupils enjoy more sporting opportunities. Children can compete against other schools.	Costs to enter tournaments, travel costs, supply costs	Mrs. Wright and staff team
	<p>Updates: The sports page on the website together with class pages celebrate our sporting occasions this term. Football, netball, cross country and tag rugby have featured in the competitive calendar and the Sainsburys School Games website contains a calendar of event which we have participated in. Classes have also included 'Learning to Lead' in their lessons when children are given the opportunity to coach a team during the intra competitive part of their lessons.</p> <p>The sporting calendar has continued to be very full, with activities, festivals and tournaments organised for children. These have included dodgeball, cross country, girl's football, netball and swimming. The sports website page is a good reflection of the competitions entered.</p> <p>Competitions entered have been celebrated on the Sports webpages and also on individual class pages.</p>					
<p>To ensure resources are adequate for staff to deliver the curriculum: this will include relevant CPD for staff.</p>	a. PE lead to assess the current curriculum resources and following a sports audit, resource as appropriate.	Staff	2017-2018	Staff confidently deliver and assess the PE curriculum	Possible resourcing (Sports Premium)	Mrs. Wright and staff team
	<p>Updates: Equipment has been purchased (see budget breakdown) to resource games / P.E areas. The Sainsbury's equipment form vouchers last year has also arrived and is being utilised in class and at playtimes. Schemes of work continue to be shared with staff, including netball for this term, which is derived from specialist coaching sites such as All England Netball, thus drawing on the latest sports knowledge and expertise.</p> <p>Equipment has continued to be purchased to support the teaching and learning of PE. This has included balls, pumps, bibs and tag rugby belts (see budget breakdown for actual resource costs). The staff are also currently evaluating the resources available on the PE Suite as to whether this will have a positive impact on teaching and learning. Resources have also been granted to school as a result of an application to Premier League Stars. These are due to arrive in September.</p> <p>Money has been asked for from FoLS for a new Sports Pavilion to store the sports equipment. The wide range of sports on offer both in and out of the curriculum now means that there is a large amount of equipment needing to be stored so that it is accessible for the children to reach at all times. This will be an ongoing fundraising campaign together with sports premium money next year.</p>					
	b. PE lead and school council to add resources to existing playtrail to enhance for all and to include accessible pieces for children on roll with physical disabilities.	Pupils	Summer 2018	Playtrail fully accessible for all pupils	TBC following planning meeting	Mrs. Wright

Strategic Aims & Objectives	Action	Target Group	Target Date	Success Criteria	Budget	Lead
	<p>Updates: Unfortunately, Playdale (who installed our current trail) are having staffing difficulties and so cancelled the sales meeting planned for the Autumn Term. Other companies are now being sought.</p> <p>This area remains under review with final decisions being made about the area through the Outdoor Assets Committee. The children have selected extensions to the trail which they would like considered (pupil voice) and these ideas will form part of the final plans where applicable.</p> <p>This continues to be on the Outdoor Assets Agenda.</p>					
<p>To promote learning to lead through games lessons and through extra curricular opportunities</p>	<p>a. Set date for new team of Playmakers to attend training at local secondary school.</p>	<p>Y5 pupils</p>	<p>October 2017</p>	<p>10 members of Y5 will be trained to take over this role from Christmas</p>	<p>Cost = £10 per pupil</p>	<p>Sarah Wright / Sara Galliers</p>
	<p>Updates: Year 5 attended their training with Mrs. Elrick at Perins School and successfully completed the course. Year 6 handed over to them during the Autumn Term and they are now fully inducted in their new role. The group meet regularly to review the games on offer and to consider whether any further resources are needed.</p> <p>The next training date for the new Playleaders is in the Summer Term. This will be open to current Year 4 who would like to train, ready for September.</p> <p>Another 12 members of the school community are now trained. Pupils from Years 5 and 6 are now trained to lead the games at playtimes and a new member of staff (SB) is also trained to lead them. This is a particularly successful initiative and develops leadership skills proficiently as well as keeping the younger children active.</p>					
	<p>b. Develop a lunchtime and after school club timetable throughout the year to cater for all ages.</p>	<p>All year groups</p>	<p>2017-18</p>	<p>All children have the opportunity to take part in extracurricular activities</p>	<p>Time + cost for external coach £25 p.h.</p>	<p>School staff and external clubs</p>
<p>Updates: The club timetable was circulated to all parents at the beginning of the year and the Autumn Term included netball for Years 3-6, football for years 3-6 (including dedicated girl's football) and cross country club. Karate Club has also continued, provided by an outside company. As we are currently limited by the weather, the Spring Term 1 timetable includes Dance club which is open to our youngest pupils. The clubs timetable is published on the school website.</p> <p>Dance Club was very well attended with 30 pupils, including one with limited mobility, attending every week. The Clubs timetable for Summer 1 and 2 will again focus on outside sports.</p>						

Strategic Aims & Objectives	Action	Target Group	Target Date	Success Criteria	Budget	Lead												
<p>Summer Sports Clubs were particularly well attended with the clubs register showing that Rounders Club was a particular hit!</p>																		
<table border="1"> <tr> <td data-bbox="91 204 1012 336">c. c. Apply for Sainsbury's Activemark Gold	All children	End of year	Activemark Gold achieved for 2017-18	Time	Mrs. Wright													
<p>Updates: The criteria has now been released and is currently being read by SW. We will again aim for Gold.</p> <p>The evidence is currently being collated for submission next half term. (Summer 2)</p> <p>The evidence has been submitted and we are currently awaiting a decision.</p>																		
<table border="1"> <tr> <td data-bbox="91 563 1012 826">d. Termly sports letter produced for parents and governors to show accountability throughout the year. Sports noticeboard in school to be updated with fixtures and results	All stakeholders	Regularly																
<p>Updates: The termly newsletter has been replaced by regular updates on the class pages on the website together with a dedicated Sports page on the website under 'Curriculum'. The link is sent to parents when there is an update. The sports board is also updates regularly and the children write match reports which are published in the 'Nutshell'.</p> <p>This method of communication remains preferable, with the website page link being sent to parents when the page has been updated. Each class page also reflects the sports undertaken by a particular class and these have included tennis, gymnastics and dance.</p> <p>The end of this year has shown a wide range of sports covered and the evidence collated for the Sports Mark shows the impact of our commitment to Sport and PE with all children enjoying two hours of good quality curriculum PE together with a varied extra-curricular timetable on offer. Both the website and the Sports board will continue to be update next year with the PlayLeaders taking on more responsibility for the updating of the board rather than members of school staff. Learning to lead has also been reflected on class webpages with children taking on the responsibility in lessons for coaching and mentoring others.</p>																		

Please note: Specific expenditure details can be obtained, on request, from the Admin Officer, Mrs. C. Graham

N.B. This action plan, together with the spending update, is reviewed by the Governors Standards Committee on a termly basis.
