

Congratulations Infants on a MAGICAL Nativity

The Infant children lit up the stage this week with their lovely, traditional nativity. The songs were delivered with confidence and sparkle and the festive spirit was strong as tinsel filled the corridors. Congratulations to the Infant Team on a great show and many thanks to our parents for providing such gorgeous costumes.

Autumn Term Reading Challenge Winners

Congratulations to all of the children across the school who took part in our Autumn Term Reading Challenge, raising the profile of the Protected Characteristics and pushing themselves to try something different. A special congratulations to those who managed to complete the challenge, earning themselves 25 house points each and making a HUGE difference to their team's totals this term. The prize winners, randomly selected from the finishers in each class, were as follows:

Hannah in Year 1, Pippa in Year 2, Dotty in Year 3, Rosie in Year 4, William in Year 5 and Sid in Year 6

Festive Fun at the Fayre

The children had a fabulous time on Friday afternoon decorating biscuits, dancing in the festive disco, playing games and enjoying chocolate, marshmallow kebabs in the Year 6 cafe. As ever, there was a great community feel to the event with older children helping the younger ones to find their way around and take part in the activities. Thanks to all of your support, we raised an impressive £1184.31 for the Year R sensory area!

Christmas Family Sing-a-long

Thanks for joining us! Merry Christmas to all our families!

Cultural afternoon: Celebrating diversity in our community

Cultural afternoon was a fantastic celebration of the different cultures represented across our Langrish community. It was lovely to have so many of our children confident to share information, their experiences, family traditions and items from their cultures with their peers.

Across the school the children completed numerous pieces of art work, food tasting, learnt phrases from different languages, songs and dances, created landmarks out of clay and learnt about different landmarks found in each country. Thank you to those children who shared their experiences and traditions with us.

Clubs Update

Even if people had never played hockey before, Mr James taught us all of the skills properly so we could learn together. When we played mini-games towards the end, Years 3 & 4 were really good but we (Year 5) were a little heavy-handed!

Dodgeball was really fun; I made new friends and we had time for lots of games. Everyone was really focussed so we got a chance to practise our skills and work as a team each week.

Starting off by re-capping and learning the basics of basketball was really helpful so we could develop together. It was great to be able to apply what our skills in a real tournament at the end when we played Greatham and Liss.

I had a great time at Multi-skills Club playing with my friends. Netball and basketball were especially good, I really enjoyed those weeks!

Another successful half-term of extra-curricular clubs has come to an end with nearly 100 pupils from Years 2-6 taking part. Thanks to Mr James, Mrs Pruden and Mrs Wood for their enthusiasm and commitment to running the sessions even as the weather turned against them!

Next half term

It's all change again next half-term as we move inside to escape the darker evenings and chilly weather. After Christmas, the clubs requested are as follows - we look forward to sharing what the children get up to!

Monday	Petersfield Music Festival Choir, Years 5 & 6	Mrs Riggs
Tuesday	Cosmic Yoga, Years 2 - 4	Mr Gillard
Wednesday	Table Tennis, Years 3 & 4	Mr James
	Just Dance, Years 2 - 4	Mr Hancox

Small Schools Dance Workshop

Recently, we joined together with our small school neighbours to host a dance workshop led by Chloe, who has previously worked in the West End. Although the group only had a short amount of time, they performed a song from 'Matilda' and then shared their modern interpretation of a Backstreet Boys classic!

All the children had an amazing afternoon and the parents who attended for the show at the end of the afternoon commented on how much the group had learned and how confident they all were. This is just one example of how we can enrich our curriculum by working together as a small schools community. We look forward to many more opportunities in the future.

East Hants Basketball

On 7th December, two Langrish basketball teams from Years 5 and 6 travelled to Bohunt School to compete in the East Hampshire basketball competition. Basketball has been part of our games curriculum for over a year now, so our players were well prepared for this challenge. Most of the team had also perfected their moves and set plays during after school basketball club or playing against their peers at lunchtimes. There were four other schools who we competed against and we are pleased to report that our teams did very well, with one Langrish team coming first! This means that we will represent East Hampshire at the Hampshire finals in the new year. Thank you to all the parents who transported and stayed to cheer us on and to Mr. James for coaching the teams.

Theatre

A Musical CHRISTMAS

We are transforming the indoor Quad at Bedales into a warm and magical environment full of festive cheer, and we'd love you to join us!. A Musical Christmas is an immersive event, rather than just a show - audiences will be seated on a variety of different chairs and sofas, all grouped around small tables.

Drinks will be on sale, and complimentary nibbles & treats will be available to all. Members of Petersfield Youth Theatre will perform a selection of Christmas songs, along with an eight-piece band.

For further details, visit our website.

20 to 22 December - Bedales, Steep

Tickets available **online** and
from **One Tree Books**

Childline Site for Under 12's

i'm feeling
UPSET

We're always here to listen and support you. →

HOW ARE YOU FEELING?

So what's making you feel so good?

Record it in the [mood tracker](#)

Why not play one of our fun [games](#)

As part of our continued work on promoting positive mental health and well-being, our Key Stage 2 classes have been exploring the junior Childline website. There are lots of great interactive sections on here which encourage the children to keep engaging with their feelings and implementing strategies to boost their mood or distract themselves if they're feeling down. These activities complement our PHSE units, which regularly make references to such strategies, allowing the children to revisit learning. Click on the image above to have a look around the site; perhaps you could save it as a 'favourite' on your child's device for them to access independently as needed.

Online courses for parents, parents-to-be, relations & foster carers
