Teaching Team and Year Group Year 3: Mr Gillard	
Main areas of study <u>English</u> Writing units will be: <ul style="list-style-type: none"> Marshmallows – Non-chronological report, paragraphs How to Train Your Dragon <p>Through all of these the children will be developing their sentence structure, their grammatical knowledge and understanding as well as their understanding of the features of different genres.</p>	Your child will also be taking part in these activities on the following day: <u>Our PE day is on a Monday and Friday</u> Please bring shorts or wear them under your tracksuit bottoms as we may be in the hall for gymnastics. This half term's PE includes: Hockey, Indoor Athletics and Gymnastics
<u>Maths</u> Number – Addition and subtraction <ul style="list-style-type: none"> Add and subtract numbers mentally, including: a three digit number and ones; a three digit number and tens; a three digit number and hundreds Add and subtract numbers with up to three digits, using formal written methods of columnar addition and subtraction Estimate the answer to a calculation and use inverse operations to check answers Solve problems, including missing number problems, using number facts, place value, and more complex addition and subtraction Number – Multiplication and Division <ul style="list-style-type: none"> Count from 0 in multiples of 4, 8, 50 and 100; find 10 or 100 more/less than a given number Recall & use multiplication & division facts for 2, 3, 4, 5, 8 and 10 times tables Multiply 2-digit by 1-digit 	<u>Home Learning</u> <ul style="list-style-type: none"> Daily reading and record keeping in the Reading Record to be brought in to school every Friday. Continuous times tables learning. All children should be fluent in 2x, 3x, 4x, 5x, 8x and 10x tables by the end of the summer term. Complete weekly Spelling Shed activities The website will be updated each week with relevant interactive tasks for children to complete. There will be no home learning books.
<u>Science</u> Animals: Skeletons and movement <ul style="list-style-type: none"> Skeletons protect vital organs All vertebrates have internal skeletons which protect vital organs. Invertebrates have exoskeletons that protect vital organs Skeletons support movement Bones are connected but can move at joints. Muscles connect to bones and move them when they contract. Stronger bones can anchor stronger muscles Skeletons support weight 	<u>Ways in which you can help your child during these topics</u> <ul style="list-style-type: none"> Research using the internet. Websites including www.mathszone.co.uk Visit your local library Practise times tables regularly at home (2, 3, 4, 5, 8 and 10) Purple Mash has some great activities to practise what we been working on in maths this year. Use Blooms question wheel when reading Look at the knowledge organisers at the bottom of the webpage and give your child quizzes from them. How much have they remembered?
<u>Other Subjects</u> Geography: Map skills and How is my Local Area Changing Computing: Powerpoint World Faith and Philosophy: Symbols - Advent Music: Playing in a band MFL: Seasons DT: Structures – Photo frames	<u>Visits and Events</u>
