It is important that your grant is used effectively and based on school need. The [Education Inspection Framework](#) makes clear there will be a focus on **‘whether leaders and those responsible for governors all understand their respective roles and perform these in a way that enhances the effectiveness of the school’**.

Under the Quality of Education judgement, Ofsted inspectors consider:

Intent - Curriculum design, coverage and appropriateness

Implementation - Curriculum delivery, teaching (pedagogy) and assessment

Impact - Attainment and progress

To assist schools with common transferable language, this template has been developed to utilise the same three headings which should make your plans easily transferable between working documents.

Schools must use the funding to make additional and sustainable improvements to the quality of Physical Education, School Sport and Physical Activity (PESSPA) they offer. This means that you should use the Primary PE and sport premium to:

- Develop or add to the PESSPA activities that your school already offers
- Build capacity and capability within the school to ensure that improvements made now will benefit pupils joining the school in future years
- The Primary PE and sport premium should not be used to fund capital spend projects; the school’s budget should fund these.

Please visit <https://www.gov.uk/guidance/pe-and-sport-premium-for-primary-schools> for the revised DfE guidance, including the 5 key indicators across which schools should demonstrate an improvement. This document will help you to review your provision and to report your spend. DfE encourages schools to use this template as an effective way of meeting the reporting requirements of the Primary PE and Sport Premium.

We recommend you start by reflecting on the impact of current provision and reviewing the previous spend.

Schools are required to publish details of how they spend this funding, including any underspend from 2021/2022, as well as on the impact it has on pupils’ PE and sport participation and attainment.

We recommend regularly updating the table and publishing it on your website throughout the year. This evidences your ongoing self-evaluation of how you are using the funding to secure maximum, sustainable impact. Final copy must be posted on your website by the end of the academic year and no later than the 31 July 2023.

2023/24 Plan:

All children will continue with 'Wake and Shake' and 'Up and Go' and / or yoga on a daily basis.

The new playground area will be maintained so all areas can be used for active learning.

All children will have wellies (and class welly racks) so that the field can also be used as a space all year round.

Train KS2 play leaders to run activities for KS1 at lunchtimes and to help lead at East Hampshire events.

All classes to include intra fitness competitions as part of Wake and Shake. Promote these on the sports board

The LSA team will organize active play equipment each lunchtime and ensure play is as active as possible for all children. Zones will be introduced to ensure safety for all users, activities will rotate throughout the week.

Further equip active playtime equipment sheds, maintain and extend active possible for all children.

Areas of the playground and field will be timetabled for year groups to experience outdoor physical play/learning

Supply time for P.E. Lead and Sports Coach to provide additional opportunities off site for sports leaders, gifted and talented children and targeted groups of children needing further physical activity.

Continue training teachers in P.E., Sport and Active Learning so that Langrish School can offer a high quality of physical and active education to all children. This includes PESS level 6 for our sports coach.

Teachers will continue to be trained on implementing active lessons throughout the curriculum every week (through staff meeting CPD time)

Improve EYFS outside active areas/equipment for further active play and physically active learning

Update Forest School qualifications, including outdoor First Aid, so that this can be accessed by all children on site

There will be a bank of ideas for parents to access for any
