

KS2 Book Challenge Autumn 2025

Colour the stars as you complete each challenge, log your evidence in your Reading Record and finish by Christmas for 25 house points and entry into our prize draw!

<p>Read a book which relates to a neurodiverse individual</p> 	<p>Write a 100-word biography of a famous individual (based on a book you've read)</p> 	<p>Complete a Reading Tool in your Reading Record for a book you have finished</p> 
<p>Read a book recommended to you by a member of your family</p> 	<p>Use PurpleMash (SerialMash) to read a book and answer questions</p> 	<p>Read a graphic novel</p> 
<p>Read a book which links to something you are learning in class this term</p> 	<p>Read another book which relates to a neurodiverse individual</p> 	<p>Create a bag of words for your book</p> 

A bag of words can be collected from your class teacher and should be filled with key vocabulary to hint at what the reader can expect from the book. You should select the most important 10—20 words only.

Log into Purple Mash and on the website there is a section labelled Serial Mash, which is where you find the books you can read, followed by questions to answer.
