

Music Development Plan 2025 - 26

Subject Leader - Harriet Lawry

Target	Success Criteria	Tasks	Resources, Finance	Date for Implementation and Review	Evaluation / Impact
1. Increase the range of curriculum content offered.	Children will be able to talk about the different music units they study. Children will learn a range of instruments during their time at Langrish through instrument units.	Units from previous year given time to embed. New charanga units to be added to LTP and implemented. HL to explore other ways to enhance provision at music conference (October 25)	Subject release HL HL to attend Music conference	May 26	
2. Accurate and focused assessment to inform future planning.	All year groups to follow the established assessment plan. Assessments to be completed termly and an evidence bank to be built.	Monitoring of assessments by subject lead at the end of each term. Focus on correct storage of assessment evidence,	Subject release HL	November 25	
3. Increase the opportunities for children to perform.	All children will have completed at least one performance during the school year. Junior choir established for Years 2 and 3 Autumn	Performance opportunities planned for the end of each instrument unit. HL to monitor/remind teachers to book these in.	HMS x1hr weekly	Ongoing
