

Career Assemblies

This term, we began our series of career assemblies, where parents with a range of careers have volunteered to share what it is they do all day. Big thanks to our brave parent who started us off with a fascinating presentation on what it means to be an analyst for the Ministry of Defence.

By sharing their experiences and passions, the parents are supporting our values of ambition and curiosity, helping the children to see what possibilities there are for them in the future.

Football Frenzy

Girls' football continues to go from strength to strength at Langrish with 35 pupils currently attending our weekly club from across Key Stage 2. This month saw the culmination of our competitive inter-school competitions for the girls, with an away draw against Warsash in the semi-finals of the Hampshire Plate and

a trip to Fleet Spurs Football Club in Farnborough for finals of the Hampshire School Games finals.

They played doggedly against Warsash to come back from two goals down to finish 2-3 in the second half. Some super defensive work kept them in the game and, although we didn't come away with a win this time, we were incredibly proud of the girls' performance against a tough team.

In Fleet, the girls competed in 8 matches across the day, winning 2, drawing 5 and losing just one match by one goal. This excellent display of team spirit and stamina resulted in a second place finish in the Championship. A well deserved result for a team who have supported each other and worked their socks off all season.

Meanwhile, our after school girls' football club continues until the end of term with 35 pupils in regular attendance from across Key Stage 2. If your daughter would like to join them, please just email the office to get involved.

Wildfire Awareness assembly

Our Safeguarding Champions delivered in anticipation of Wildfire Awareness month. They spoke about all the different ways a wildfire can begin, how to prevent wildfires and what to do if you spot a wildfire. As the weather improves, campfires and barbecues are becoming a part of our weekends again; see if your child can remember what they learnt about keeping these events safe for our environment next time you strike that match.

Fire Drill Report

Today's fire drill was carried out calmly and in a timely manner by all members of the school community. The complete evacuation took just 2 mins and 33 seconds. Reassured that it was just a drill, pupils were back learning within 5 mins of the bell first sounding. Great work by everyone.

Year 2 Cross Country

Fifteen Year 2s headed over to Froxfield at the end of a long, sunny week to take part in the Small Schools' Cross Country competition. After a quick warm-up and course briefing, the boys ran first. Two laps of their HUGE field was no easy task but they kept going, supported by their friends and families. The girls lined up next: a slightly smaller field overall but still plenty of stiff competition. Congratulations to all of our runners for taking part and doing their best. A special mention to Toby and Jude, who finished 6th and 7th respectively in the boys' race, and to Maddy, who finished just outside the medals in 4th for the girls.

Year 3 & 4 Netball Festival

This term it was the Year 3s and 4s turn to attend a netball festival hosted by our Play Leaders. Unfortunately no other schools could make the event but our pupils did a great job of making the most of the opportunity. After a number of fun warm-up drills, the Play Leaders organised a mini match to put everything they had learnt into practice.

Schools' Cricket Day

This month, to mark 50 days until the ICC Women's T20 World Cup, we joined 236, 000 other pupils across the country who were taking part in the ECC Schools' Cricket Day. Years 2 – 6 enjoyed skills workshops led by Hampshire Coach Vik, commenting that the activities were fun, engaging and quick! It was lovely to see everyone so keen to participate, even those who don't always find PE easy.

If your child loved it and wants to do more cricket, click this link to find out more about local All Stars and Dynamo opportunities: <https://www.ecb.co.uk/play/all-stars>

Achievements Outside of School

Fabulous Fundraising

Big thanks to three of our Year 3 pupils, who decided to run a lemonade stand over Easter to raise funds for the school. Year 3 are now considering their options of how to best spend the money!

TURBOS UPDATE

Big thanks to anyone who supported Ed and Finn's fundraising efforts following last month's Nutshell article. They swam 2.9 miles and raised £1020 for their football team with further support offered from local businesses—what a great impact they had!

Fantastic Footballers

We are delighted to report that Kayo, Year 6, has been re-signed by Southampton Academy for the next season! A super achievement that reflects his attitude and performance this year. Well done Kayo, keep up the great work.

Congratulations to Henry, Year 4, whose club competed in the Portsmouth Youth Football League U9 Victory Cup and won. Henry was particularly pleased with himself after scoring the winning goal! Great effort, we look forward to seeing those skills back in action for Langrish next season too!

Looking ahead:

Monday 11 th —Thursday 14 th May	Year 6 SATs Week	
Tuesday 12 th May	Year 2 trip to Sea City Museum	
Monday 18 th May	Walk to School week	
Wednesday 20 th May	Year R trip to the farm	9.15 - 11.15am
