

Year 5 E-Safety Charter

Stay safe

- We do not share our personal information online (including passwords and other people's photos)
- We only open safe content from trusted websites
- We do not meet up with individuals we meet online (and if we have to, we take a trusted adult with us)

Be respectful

- We use kind and inclusive language online
- If someone is cyberbullying, they are blocked immediately and we tell a trusted adult

Be responsible

- We will check the age restrictions on programs before accessing them
- We will be 'fake news spotters' and ensure we question if this information is likely to be true or not
- We will also consider if AI may have been used to produce this. We will check our sources are reliable by using several trusted websites

Speak up

If a website or message makes us feel uncomfortable we will close it immediately tell a trusted adult.
