

School Parliament

During our first week back, pupils from Years 2 - 6 were hard at work writing their speeches to put themselves forward for our School Parliament roles. Lots of individuals put themselves forward and we were so proud of each and every one of them. After the speeches were delivered, anonymous votes were held to democratically elect our new School Parliament. Our JRSOs, Junior Librarians and Playleaders will be chosen later this half-term.

SCHOOL COUNCIL

Welcome Squirrels!

A warm welcome to our new Squirrels and their families who have settled so quickly this term that it feels like they've always been with us! It has been a pleasure getting to know them over the past few weeks and seeing their enthusiasm and engagement for their learning already. Keep up the great work!

'It has been a joy to see you take school on like water off a duck's back! I am already so proud of each and every one of you Squirrels. You have already shown great resilience, confidence and true Langrish ambition with all that's been thrown at you.

I just know that we are going to have a brilliant year! Well done team!' Mrs Browne, Chief Squirrel.

Summer Reading Challenge

Congratulations to all our pupils who completed the Summer Reading Challenge set by Hampshire Libraries over the holiday. We had a lovely email from the staff at Petersfield Library informing us that we had 131 pupils who had signed up for the challenge and 110 who had completed it as of the 4th of September! Thank you for your support in this excellent achievement!

Achievements Outside School

Cora, Year 5, took part in a Hampshire Gymnastics competition this month, coming 6th in her age group!

Ted L, Year 2, impressed the coaches at his recent squash competition and was awarded an award for resilience

Theo, Year 5, who plays for Petersfield Cricket's U9 squad, won the Best Fielder trophy at the end of season awards.

Well done to all our young sport stars!

Catherine, Year 5, was awarded 'Most Improved' by her ballet school recently. This award was particularly meaningful as it is only awarded once every 2 years. Congratulations Catherine and keep dancing!

'Show me' Product Testing

This month, a company called 'show me,' who design various products for schools, wanted to test a new product they had created and needed children, the users of these products, to be the product testers! Every year group had a go, telling them what they liked and disliked about the product and giving feedback on how they could be improved. This was a great opportunity for our pupils to see how design technology works in real life!

Rail Safe Friendly Silver Award

Year 2 and Year 4 recently participated in a short workshop on rail safety, watching a video educating them on the importance of safety by the railways. Our school received a bronze award for doing so! As we also committed to sharing the rail safety postcard (below), we were upgraded to the silver award!

Discover our FREE rail safety videos and keep your children safe by visiting railsafefriendly.com

THE RAIL SAFE FRIENDLY PROGRAMME

The Rail Safe Friendly programme has educated over **3 million young people** on the dangers of the railways.

SCAN ME

DON'T LET YOUR CHILDREN BECOME THE NEXT STATISTIC

"I implore you to listen to Harrison's story"

Simon Frazer, Principal, Guilsborough Academy

According to the **ORR Report**, April 23 - March 24 on UK railways:

12	58%	42%
people died in accidents while trespassing	were struck by a train or tram	were electrocuted

According to **Rail Safe Friendly**, July 25:

120+	11,000+	20,000+
companies support the programme	schools in the UK have engaged	UK schools still need to be reached

CERTIFICATE OF ACHIEVEMENT

Congratulations on achieving your Silver Rail Safe Friendly award.

Proudly Presented to

Langrish Primary School

Thank you for educating your young people about Rail Safety and keeping them safe.

Online Safety

Is it real or is it **AI**?

Generative AI can make fake images, videos, and voices look and sound real.

Before you believe it, or share it, make sure you look closer.

If you see a fake or altered image of yourself or a friend:

Do not share it

Do not download it

Report it immediately

Talk to a trusted teacher or adult. The school will support you, and you are *not in trouble*.

 Do you know who you're actually talking to? www.hispeedtraining.co.uk

At the beginning of term, all year groups created their e-safety agreements for the year ahead. For many, there were discussions around the increase in AI generated content and what this means for them. Please see individual class webpages for details of what else your children have agreed to do to keep themselves safe this year and spend some time at home talking about what they would do if they came across something online that made them feel uncomfortable (report it to a safe adult). Do older children know how to report content when using any platforms they have access to? Look at this together to help them feel safe.

Lost Property

A huge amount of Langrish cardigans, jumpers and hoodies (unnamed) have been collected this month. Please come and reclaim any that might belong to you. We have also found a single, lilac, loop ear plug in the car park. Come to the office if you think it might be yours!

Active Travel

On Monday we had an assembly to launch Walktober, which starts tomorrow. The children were great in identifying how active travel can help reduce pollution around school, keep Ramsdean Road safer for everyone and improve their mood and fitness ready for the start of the school day. If you can, please try to make a positive change this month by walking more regularly or using the park and stride facility from the Seven Stars more often. Even just making the short journey down Ramsdean Road on foot, carrying their own backpack, can make the difference to a positive start to the day with children feeling more independent, grounded and alert as they enter school.

If your child would like to enter the poetry competition to encourage others to get active and ditch the car, please click the link for details:

Year 6 Bikeability

At the beginning of term, Year 6 had the opportunity to takepart in Bikeability training with the vast majority of the class achieving their Level 2 award by the end of the week!

Bikeability Level 2 teaches you to:

Start and stop with more confidence

Pass stationary vehicles parked on a road

Understand the road: signals, signs and road markings

Negotiate the road: including quiet junctions, crossroads and roundabouts

Share the road with other vehicles

Looking ahead

Friday 9 th October	Year 1: Harvest Assembly	8.45-9.00am
	FoLS Quiz Night	7.00-10.00pm
Wednesday 14 th October	Year 5: Play Leader Training	1.00-3.00pm
Friday 16 th October	Open Classroom	3.10-4.00pm
