

Music Development Plan 2026 - 27

Subject Leader - Harriet Lawry

Target	Success Criteria	Tasks	Resources, Finance	Date for Implementation and Review	Evaluation / Impact
1. Increase the range of curriculum content offered, providing more hands on opportunities and greater use of technology.	Children will be able to talk about the different dimensions of music. Children will play a range of different instruments, encouraging them to begin reading music. Children will be able to use technology to create music in an age appropriate way.	New curriculum and assessment system ready for September. Training on new units for staff September 26. Pupil/staff voice carried out at Christmas to assess and review impact of new units.	Subject release HL HL to attend Music conference	Dec 26 June 27	
2. Accurate and focused assessment to inform future planning.	All year groups to follow the established assessment plan. Assessments to be completed half termly and evidence bank built.	Training for new assessment and evidence storage September 26. Monitoring of assessments by subject lead at the end of each term. Focus on correct storage of assessment evidence.	Subject release HL	December 26 April 27 June 27	
3. Increase the opportunities for ALL children to perform.	All children will have completed at least one performance during the school year.	Performance opportunities planned for the end of each instrument unit. HL to	HL and HC release for YV Subject release HL	Termly
