

## Year 4 Internet Safety Guidelines

- **Always make sure I ask our parents before going on the internet.**
- **Don't share any personal information such as my address, phone number or school: keep that private!**
- **Make sure an adult knows what I am doing online: if something makes me feel uncomfortable, I'll tell an adult.**
- **Don't arrange to meet up with people even if I think I know them, they might not be who I think they are.**
- **Only play online games that are appropriate for my age.**
- **When playing online games , make sure that safety settings are on and that an adult knows who I am 'chatting' to.**
- **Don't send any unkind messages – use kind words.**
- **If I receive an unkind message or inappropriate image, don't delete it but tell an adult straight away.**
